Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at any time of your own time (that's what catalogs are for about if you request me).

Food & Agriculture Organization of the United Nations (FAO). Paperback. Book Condition: new. BRAND NEW, The Role of the Farm Management Specialists in Extension, David Kahan, Food and Agriculture Organization, The materials covered in this collection have been prepared for use by all service providers concerned with promoting farming as a business - whether they work for the private, NGO, or public sector. This could include the public sector extension workers who are involved in farm business management and marketing, private sector business service providers, NGOs and policymakers. Further, it is hoped that the material will encourage decisions-makers in countries where farm management extension positions have not been established to set up such positions.
