Brand New Book ***** Print on Demand *****.This book helps you prepare yourself, your vessel, crew, pets, paperwork, galley, and money for the upcoming cruise, whether power or sail! Can save you thousands of dollars, hundreds of hours of labor, and tons of grief! A few bucks spent here could even save your life someday! From the book. For forty-five years, you've lived a shore-based life. You understand things in your land-oriented world implicitly and rarely need to think about anything pertaining to your basic living circumstances. All of that's about to go flying out the window because YOU'RE getting ready to go cruising. You're entering into a new and foreign world. You need all of the help you can get to maximize the potential for success of your cruise. This book is a compendium of boatloads of the slick things Jim B has learned in thirty years of sailing and cruising. Any one hint, tip or idea is easily worth the price of this book and can enhance your cruising experience. It's simple format gives you just the basic great ideas to get you going in the right direction. Pick the ones that sound good for you and develop them for your specific situation. Take what you like and leave the rest.
