Inspired by the death of his daughter s friend, Wera Knoop, Rilke commenced to the production of Sonnets to Orpheus, a work filled with mythological and biblical allusions. During the same burst of creative energy he set to working on the completion of the Duino Elegies, a work begun some ten years earlier but set aside due to Rilke s own emotional distress over the tragic events of World War I and his conscription into the Austro-Hungarian army. He wrote in a letter to the deceased girl s mother that Wera s ghost was commanding and impelling him to write. The results of this savage creative storm are generally considered as Rilke s masterpieces. Duino Elegies is an intensely spiritual group of verses that ponders the beauty and existential suffering of life. Together these works exhibit why Rilke is widely recognized as one of the most lyrically intense of all German-language poets.
