Brand New Book ***** Print on Demand *****.Ascent - Volume One of the Galactic Citadel Series Citadel - a forgotten inheritance - An obsidian-black monument one hundred and forty feet long, thirty feet high in Redcliff, a small coastal town in Maine, prominently situated on a residential road close to the rocky shoreline, oddly out of place amongst old houses and quaint cottages, but somehow never noticed over uncounted years. until now. A lonely, pale wisp of a girl recently registered for the final year of high school. Her registration lists her as a life-long Redcliff resident and this apparently solid Citadel as her home. The lone survivor of a family car crash unexpectedly returned to consciousness after many months, moves to Redcliff to complete the final year of high school and pick up the pieces of his life. Unlike the locals, he is drawn to and fascinated by the crenelated Citadel and even more by the girl. A physicist and his wife, guests of a rich industrialist friend, spend a day on his private cruiser, Getaway -. A nuclear submarine finds the boat strangely...
