Absolutely original, with vivid style, verve, imagination and sharp view points, The Second Declaration is a fascinating vision of future economies, the development trends of future cultures, and the development trends of future mankind. This book is overly stuffed with information covering high technological, anthropological, esthetic, literary, economic, political and scientific histories of the orient and occident all of which allows you to enjoy a luxurious feast of wisdom and knowledge. Peter Drucker, Father of Modern Management said: The next information revolution is not a revolution in technology, machinery, techniques, software, or speed; it is a revolution in CONCEPTS. The Second Declaration ignites this revolution. It elucidates the truth that the future determines the present. Today, in an era characterized by unprecedented changes, it is absolutely essential that everyone learn how to understand the future, cope with the future and manage the future. The Second Declaration teaches us how. Wang Xiaoping, an author of best sellers, a scholar-typed orator and thinker, dubbed Talented Girl, World-Shocking Genius, Goddess of Wisdom by China? s national press, is all of 24 years old. At age 15, endowed with photographic memory, she finished 70 points above the top student of her class then dropped out of school as it interfered with her self-taught internet time. Four months later, she wrote her first great work Dacheng Success Theory. All her books have been listed as best sellers in China: Dacheng Success Theory, Ability Panic, The Second Declaration, etc., and all have won wide recognition from...
