DECEPTIVE MOTIVES: A SYMPTOM OF DELIRIUM (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.With an opening chapter that highlights the duplicity of a husband towards his wife, this tragicomic novel builds on the marital dissatisfactions and grudges of its principal heroine, Julie Foster, and couples them to the literary and social dissatisfactions, grudges, etc., of a certain Peter Morrison, an unpublished and seemingly unpublishable writer, as the two bump into each other in a restaurant, after many years, and Julie agrees to accompany Morrison back to his squalid flat where, contrary to her expectations, he simply proceeds to expatiate on his political and philosophical views, and to disburden himself of a number of anti-social grudges. Eventually she tracks him down to his latest address and, mindful of the fact that he once had amorous leanings towards her, duly falls into a frantic sexual coupling with him. Things are looking...
