

Construction Accounting and Financial Management (Classic Reprint) (Paperback)

Filesize: 2.16 MB

Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Tomas Flatley)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Construction Accounting and Financial Management Although accounting principles do not change, I think it is reasonable to say that their application to any particular industry, and to any specific business in that industry, usually requires careful analysis and sound judgment. This statement is certainly true of the construction industry. This book cannot take the place of detailed information nor of the experience with individual problems of any particular construction company. It can, however, survey the problems peculiar to the construction industry and indicate how to apply standard accounting techniques to arrive at sound solutions. With operating conditions so varied and the individual contractor's circumstances likely to be so complex, it is often necessary to go back and review basic accounting and business principles in relation to the specific conditions in a given company before management can use accounting as a true operational tool. It is for this reason that this book is devoted more to the why than to the how of construction accounting. Certainly, among the techniques described, the experienced accountant will find few, if any, that are basically unfamiliar to him, but he may see them applied in ways that may be somewhat unexpected. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
