GAME THEORY: ANTICIPATING REACTIONS FOR WINNING ACTIONS

Business Expert Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 9.1in. x 5.9in. x 0.5in. From its beginnings in the early 1900s, Game Theory has been a very mathematical, technical subject. However, it also provides valuable, everyday lessons that are important for managers and executives to understand. Current books and textbooks are mostly highly mathematical, and almost all are very long. This primer will deliver a focused and precise, largely nonmathematical overview of topics in Game Theory that are directly...

Reviews

Completely essential read ebook. It is among the most awesome book i actually have read. I am very happy to explain how this is basically the greatest book i actually have read in my individual existence and might be he best pdf for possibly.

-- **Prof. Alexandro Runolfsson**

An incredibly great ebook with lucid and perfect explanations. It is actually rally fascinating throug studying period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
