The word mandala is derived from the root manda, meaning essence and la, meaning container, thus a Mandala is a container of essence, the Holy Grail for which we have been searching, a mystical vessel holding miraculous powers, lost for centuries. This remarkable book is a clear, valuable and inspirational guide to envisaging and experiencing this for oneself. It is not only for spiritual seekers, but for all those who care enough to help make a difference. It speaks to all people about an ability that we all share but many have forgotten. It can take a logical mind and introduce creativity in a way that is practical and worthwhile. Art in the form of Mandala can be used to draw out our intentions and bring them to life! Printed Pages: 110.
