The plan is that the decree shall serve as a new starting point in determining the title; that it shall declare absolutely the only rights which exist in the land and be conclusive against the whole world. The scheme further contemplates that, the title having thus been conclusively adjudicated, the substance of the decree shall be entered in a register of titles, containing a description of the property affected, and that no subsequent transaction shall affect the title unless the writing evidencing such be filed with the registrar and a memorandum thereof be entered in the register of titles, along with the decree; that the record of such entries shall be known...
