THE 2014 QUADRENNIAL DEFENSE REVIEW (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The United States faces a rapidly changing security environment. We are repositioning to focus on the strategic challenges and opportunities that will define our future: new technologies, new centers of power, and a world that is growing more volatile, more unpredictable, and in some instances more threatening to the United States. Challenges to our many allies and partners around the globe remain dynamic and unpredictable, particularly from regimes in North Korea and Iran. Unrest and violence persist elsewhere, creating a fertile environment for violent extremism and sectarian conflict, especially in fragile states, stretching from the Sahel to South Asia, and threatening U.S. citizens abroad. Meanwhile, modern warfare is evolving rapidly, leading to increasingly contested battle space in the air, sea, and space domains - as well as cyberspace - in which our forces enjoyed dominance in our most recent conflicts.
