Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, The Chronicles of Narmo, Caitlin Moran, Fifteen-year-old Morag Narmo really doesn't want to go to school any more. She and her siblings would rather feed their heads into the waste-disposal unit than "do the academical". So they are all stunned when their parents whisk them out of school and embark on a home-schooling experiment. But with five children, two unruly pets and some extremely eccentric attitudes, the educational experiment soon descends into chaos. Witty, razor-sharp and laugh-out-loud funny, The Chronicles of Narmo show us how before Caitlin Moran knew How to be a Woman, she had to find out How to be a Girl.
