Brand New Book ***** Print on Demand *****.Excerpt from Fraternity Advice for Freshman: With Rushing Rules for Season of 1921-22 One of the main reasons for the recent attempts to legislate against the fraternity system is that it is repugnant to democratic ideals; and unfortunately, there are practices occurring daily in a few of our American colleges and universities which sustain this charge. Totally incredible as it must sound, we have nevertheless a number of fraternity men whom some abortive delusion of superiority has rendered so perverse that they would not think of associating with men holding dissimilar fraternal connections; and not a few instances are known of men who refuse even to speak to or in any way recognize members of another fraternity. Distinctly the crowning absurdity of our generation! You will readily agree, I think, that among men supposed to be representative of the highest type of American civilization such a flaunt of petty conceit, of ludicrous or pitiful illiberality is unbelievably infantile and asinine. I bear a firm conviction that men who have arrived at this period in life not cognizant of one of Nature s greatest and most fundamental truths deserve not only legislation but something perilously similar to incarceration. Freshman, you have a mission to perform, a duty to humanity, your college, your fraternity, yourself. Whether this legislation grows or subsides will depend very largely on you. It is your mission to bring about full equality among fraternities. It can be accomplished by observing, and demanding observation of, the following precepts: I. Speedy and relentless destruction of all symptoms of the superiority bugaboo. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
