Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Between the good mornings and the good nights it s what happens during the day I want the parents and expecting parents to be aware of what goes on everyday in daycare centers. Daycare is a wonderful thing for people who really need it. Most people who have children need daycare be it that they are school age, preschool or infant. Everyday parents are looking for good and affordable daycare. This book is full of situations coworkers and I have witnessed or had it happen to us. As preschool teachers, we change diapers, comfort the children and direct them just to name a few. We have our good days and bad days. Parents need to be aware of what to look for when shopping around for a good daycare. My hope is parents educate themselves before trusting their little one to any daycare by doing your homework, asking other parents going online. Anyone working with children must be finger printed go through a background check. You are leaving your children in good hands.
